DIRECTIVES TO PARENTS/GUARDIANS

a) HEALTH

A parent/guardian should let the school administration know if his/her child has any health problem. This has to be accompanied with medical certificates. Malingering of a student will lead to severe punishment. Furthermore, the school **DOES NOT** provide special diet to students. Parents whose children cannot take the school food due to health disorders should seek to make thorough negotiations with the school administration **BEFORE** their children are admitted in the school. No excuses will be entertained if a parent/guardian will fail to adhere to this note.

b) Opening and Closing of Term/Midterm:

During opening and closing of the term/midterm parents/guardians should bring/collect their children from the school and sign in the student's movement register. Student reporting alone will not be accepted in school.

PROMOTION CRITERIA

In order to be promoted to the next class and ensure quality of education provided, a student is supposed to work hard and pass all subjects to get at least **60%** in each subject.

If your child does not reach this pass mark he/she will be advised to repeat the class otherwise he/she will have to leave the school.
